

UCPath: UC Berkeley Phases

UCPath System Implementation

Now – March 2019

Goal of Work:

- Data clean-up
- Issue paychecks from UCPath system
- Initiate transactions in UCPath

Improve Processes at UC Berkeley

April 2019 to June 2020

- Streamline processes where possible
- Reduce / Eliminate double data entry
- Minimize costs

Manage Changes in UCPath System

April 2019 – December 2019

- Handle UCPath Center system changes
- Manage business process updates from UCPath Center
- Implement additional business and operational reports

Align Berkeley with UCPath Center

November 2018 to January 2020

- Complete standardization of reports
- Finalize business process operations with UCPath Center (e.g., SLAs, escalation paths)
